The youngest of nine children and raised in Portland, Oregon, Dr. Morgan Davoudi decided at the age of sixteen that he wanted to become a doctor, and he has never looked back.

After receiving his Doctorate of Medicine at the Medical College of Georgia, and completing his general surgery training in Augusta, Dr. Davoudi was accepted into the prestigious plastic surgery training program at the University of Tennessee.

Dr. Davoudi is double board certified in General Surgery and Plastic Surgery and served as Assistant Professor of Plastic Surgery at the University of Tennessee. He received the Physician's Recognition Award for 2001-2007, by the American Medical Association and was honored by Accent Gwinnett Magazine's readers as one of Gwinnett's Best Doctors. In 2006 and 2007 he was also named America's Top Plastic Surgeon by the Consumers Research Council of America.

Why plastic surgery? Dr. Davoudi enjoys the diversity of the field and the opportunity to make an impact on his patients' lives. He is passionate about what he does, and his passion is evident by his high level of attention to detail and service.

Why Atlantic Center for Cosmetic Surgery? They go above and beyond the call of duty because they know that you have your choice of plastic surgeons, and Dr. Davoudi understands that cosmetic surgery must be tailored for each patient. Dr. Davoudi states, "Our ultimate goal is patient satisfaction: to make sure that the patient is happy, and that we are proud of the results."

Dr. Davoudi is a specialist in aesthetic plastic surgery including Breast Augmentation, Lift and Reduction, Body Contouring (Tummy Tuck, Liposuction), Facelift, Browlift, Eyelid Surgery, Nose Reshaping and a variety of non-surgical options.

Due to increasing demand and requests from metropolitan Atlanta, we are also proud to announce that beginning in October 2009, Dr. Davoudi will also be seeing patients in a brand new location in the heart of Buckhead!
