## SURGICAL FEE DEPOSIT POLICY

We realize with elective surgery, circumstances may arise which require surgery to be canceled or postponed. This unnecessarily delays other patients' surgery, who might have taken that time. The time reserved for surgery not only involves our schedule, but also that of the Surgery Center and Anesthesiologist.

Therefore, we request a non-refundable deposit of \$500.00 on the surgical fee be paid at the time of scheduling. The remaining balance is due two weeks prior to your date of surgery.

*If the surgery is rescheduled with less than 29 days notice, a \$500.00 rescheduling fee will be incurred and all payments made towards surgery will be applied 85% toward the future surgery.*

*If the surgery is canceled at least 29 days in advance, and not rescheduled payments made towards surgery, not including your \$500.00 deposit, will be refunded 100%.*

*If the surgery is canceled 22 - 28 days before the surgery, and not rescheduled payments made towards surgery, not including your \$500.00 deposit, will be refunded at 75%.*

*If the surgery is canceled 15 - 21 days before the surgery, and not rescheduled payments made towards surgery, not including your \$500.00 deposit, will be refunded at 50%.*

*If the surgery is canceled within 8 - 14 days of the surgery, and not rescheduled payments made towards surgery, not including your \$500.00 deposit, will be refunded at 25%.*

*If the surgery is canceled within 7 days of the surgery, and is not rescheduled, there is no refund of payments made towards surgery.*

We appreciate your understanding of our efforts to be fair to all concerned in this matter.

I understand and will comply with this policy.
